

MASON-FCPS MATH DUAL ENROLLMENT PROGRAM

SPRING 2017 COURSE REGISTRATION AND PAYMENT FORM

New and continuing students must complete this form. Admitted students may register for one course per semester. Select the appropriate course being offered at your high school:

__ MATH 203 Linear Algebra (3)

Available only at Thomas Jefferson High School for Science and Technology

__ MATH 214 Elementary Differential Equations (3)

__ MATH 351 Probability (3)

Please list your Dual Enrollment Math Teacher: _____

MASON-FCPS Math Dual Enrollment Program students who meet the **March 17, 2017** submission deadline pay a non-refundable reduced tuition rate of \$425.00 per course for students domiciled as Virginia residents. Applications and/or registrations and payments received **March 18- 24, 2017** pay \$550/course for Virginia residents. **Dual enrollment admission or registration will not be offered after March 24, 2017.**

Attach a check or money order to this form made payable to George Mason University. Cash and credit cards are not accepted. Returned checks will incur a NSF service charge and students are subject to cancellation of registration. Please indicate the student's full name in the check memo field.

My signature acknowledges my understanding of the admission application and course registration and payment process outlined at: admissions.gmu.edu/fcpsmath. I understand that I must meet the submission deadline to be considered for dual enrollment admission and registration.

Printed student name: _____
